

EVO-KM30 Clamping-Module

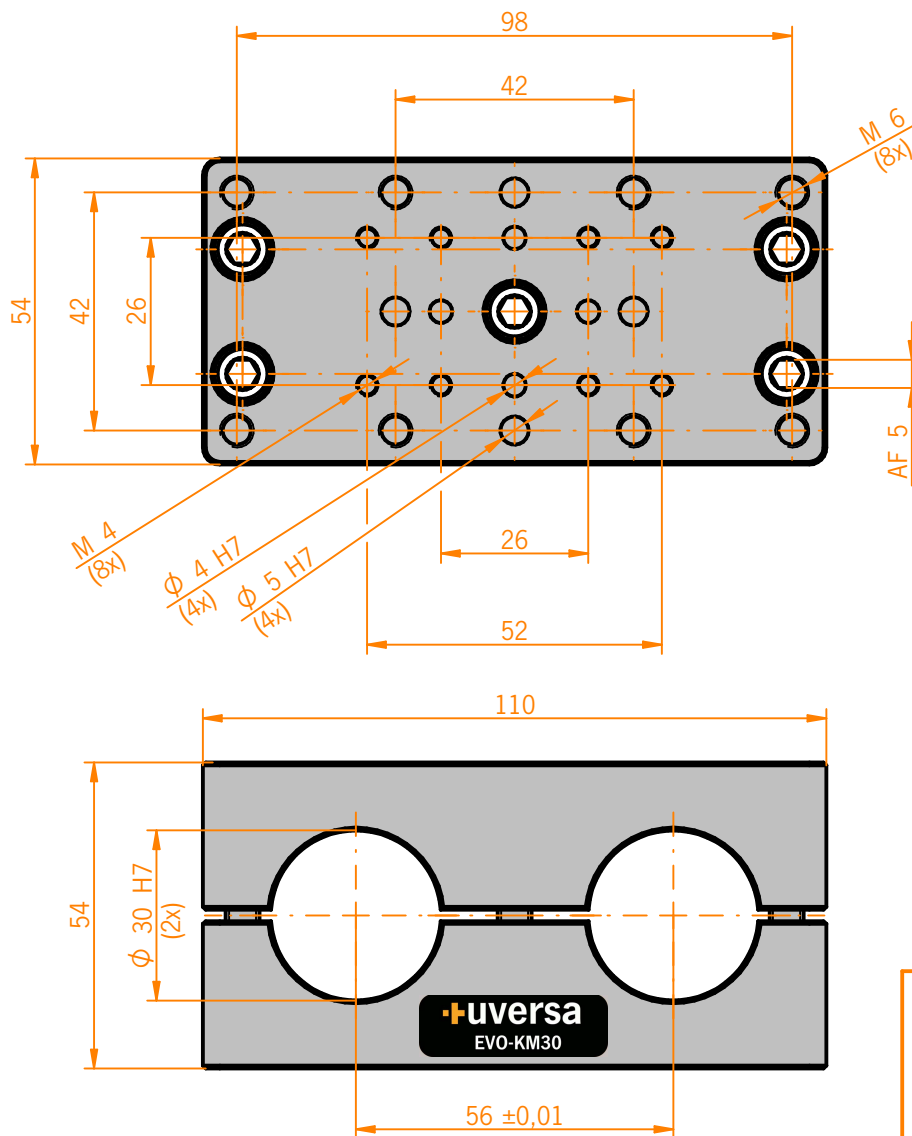

TECHNICAL DETAILS

Material	Aluminium (ground)
Surface	● black, ● red, ● blue, ● green ● gold, ● ESD
Positional Tolerance	± 0,01 mm
Fitting Bores	
Positional Tolerance	± 0,1 mm
Bores	

MODULE DESCRIPTION

Module with mounting and fitting bores for precise attachment of components in position. The two-piece structure enables the element quickly to be mounted to a two-column system also at a later date. Mono and Dual pedestals may be installed.

Screw-on borehole diagram valid for:

EVO-DM30	PEX-DS30
EVO-MM30	PEX-MS30
EVO-DM12	PEX-DS12
EVO-MM12	PEX-MS12

Customized items are available upon request.
